Hakkımızda

Eskişehir de 1992 yılında Özerdoğan olarak kurulan firmamız, 2022 yılında Özboru markası adı altında yağmurlama sulama sistemleri olarak tarım sektörüne geniş bir yelpazede hizmet sunan köklü bir firmadır. Uzun yıllara dayanan tecrübemiz ve sektördeki sağlam duruşumuzla, yağmurlama sulama boru üretiminde uzmanız.

Türkiye genelinde hizmet veren işletmemiz, yüksek kalite standartlarında üretim ve satış gerçekleştirmektedir. Tarım sektörünün tarih boyunca önemini koruyan bir geçim kaynağı olduğunun bilincinde olarak, bu sektörün modernizasyonuna ve verimliliğine katkıda bulunmayı amaçlıyoruz. Günümüzün hızla değişen tarım teknolojileri ve artan ihtiyaçlarını karşılayabilmek adına, sürekli olarak yenilikçi çözümler geliştirmekte ve sektördeki en son teknolojileri yakından takip etmekteyiz.

Özboru olarak, tarımın sürdürülebilirliği ve verimliliği için gerekli olan sulama sistemlerinin düzenli ve sağlıklı bir şekilde yapılabilmesi adına, üstün kaliteli boru sistemleri imalatı yapmaktayız. Firmamızın misyonu, tarım sektörünü daha güçlü bir hale getirmek ve çiftçilerimizin yanı sıra tarım işletmelerimizin de ihtiyaçlarını en iyi şekilde karşılamaktır.

Yüksek kaliteli ürünlerimiz ve müşteri memnuniyeti odaklı hizmet anlayışımızla, sektörde güvenilir bir iş ortağı olarak konumlanmaktayız. Tarımın her geçen gün geliştiği ve yayıldığı bu dönemde, biz de Özboru olarak bu gelişime katkıda bulunmaktan gurur duyuyoruz. Kaliteyi, güveni ve yeniliği ön planda tutarak, tarım sektörüne değer katmaya devam ediyoruz.

About Us

Founded as Özerdoğan in 1992 in Eskişehir, our company has been providing a wide range of services to the agricultural sector under the Özboru brand since 2022. With many years of experience and a strong presence in the industry, we specialize in the production of sprinkler irrigation pipes.

Our business, which serves across Turkey, carries out production and sales according to high-quality standards. Acknowledging that agriculture has been a vital source of livelihood throughout history, we aim to contribute to the modernization and efficiency of this sector. To meet the rapidly changing agricultural technologies and increasing needs of today, we constantly develop innovative solutions and closely follow the latest technologies in the industry.

As Özboru, we manufacture high-quality pipe systems to ensure that the irrigation systems necessary for the sustainability and productivity of agriculture are carried out regularly and healthily. Our mission is to strengthen the agricultural sector and meet the needs of our farmers and agricultural enterprises in the best possible way.

With our high-quality products and customer satisfaction-oriented service approach, we position ourselves as a reliable business partner in the industry. In this era where agriculture is developing and expanding day by day, we at Özboru are proud to contribute to this development. By prioritizing quality, trust, and innovation, we continue to add value to the agricultural sector.
